The Time of Our Lives

Our day will come.

It's time to say good-bye!

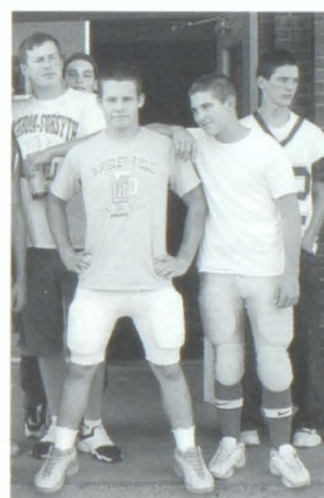

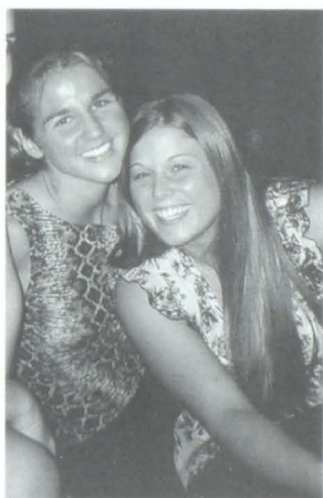

Where did the time go?

This is the time of our lives. We're young, free, and wild. This is the time when we get to shine. We are happy, in shape, and we have our whole lives ahead of us. This is the age when we get to decide what we want to do with our lives. This is the time to live it up and enjoy life, and remember, these are the times when memories are made.

- Elizabeth Daggett

Field Day 2002

This year field day was one of the best ever. This year we added a dunk tank to the festivities. We have held field day for four years now. Most kids enjoy it because they are getting out of class, but also because it is a lot of fun to compete against the other classes. This years winners were the Seniors, Followed by the Sophmores. Third place went to the Juniors and last was the freshman.

Homecoming this year was full of excitement. In the middle of the week, it was time for the junior and senior girls to see which class of girls had more football talent. This year the seniors took home the victory. The juniors played hard, but were beaten by a touchdown. At the end the seniors cooled the juniors off with a surprise attack of water balloons. Over all both teams had fun, and played a good game. Zane Anderson, Jon Rodriguez, and Brad Sill coached the juniors. Senior coaches were Logan Schroeder, Drew Sullivan, and Ben Heckman.

Sexy Seniors.

Crowning of King and Queen.

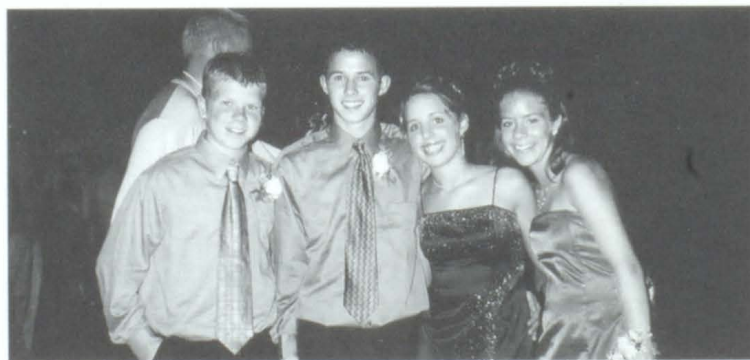

This year's homecoming was held on Saturday, September 21, 2002. Chelsey Zombro and Drew Sullivan were crowned the 2002-2003 Homecoming Queen and King. Looking back on that night, memories were made and I think everyone will agree with that. The night was a delight, whether it involved you and your special someone, your friends or how some people spent some of the night with the cops. Maybe in the years to come there will be less "drama".

Physical meaning... rock climbing wall, sumo wrestling, bungee run, tricycle riding or twister. The men occupied the Casino Room most of the night. Some people did not participate, but those who did made it fun!

Just Chillin'. Seniors E. Nibbelin, M. Zelhart, A. Jaggi, D. Hans, and D. Sullivan.

This was a historical graduation night for the class Of 2003 and of the residents of Mora and Forsyth. This class was the last to graduate from the old School as the new building will be ready for the Class of 2004. The gym was packed with parents, Friends and others to congratulate these special Students and to wish them well on the journeys. They will begin from this night forward. Some are sad, some frightened and some are truly happy to leave high school and to be on their ways to New lives.

Cheerleaders

Seniors

This year the Cheerleaders have worked extra hard on their gymnastic skills to show some diversity. The Trojan Cheerleaders did everything they had to, to make this season an awesome one. Between football and basketball season the cheerleaders stayed very busy. A lot of new goals were reached for each individual cheerleader. We just want to say thanks to the seniors, and good luck to the future cheerleaders.

Patrice Baietto was the only member of the Cross Country team. At the Shelbyville Open Invitational she received 1st place in the 3200 meter relay and 3rd place in the 1600 meter relay. In the Macon-Piatt Invitational she placed 2nd in the 3200 meter relay, injuring her hip. Patrice toughened up and placed 1st and 2nd in two more 3200 meter relays. The meets listed were not all that Patrice participated in.

WRESTLING

B. Bertrum, B. Hillburn, B. Forker, and J. Patrick

"The men that wrestle are a select few. Most people don't have the endurance, stamina and dedication it takes to play the sport". That was what Coach Gary Cook said the first week of practice. Through the year he proved that he was right. Many people dropped out, but those that stayed ended up knowing a lot more about everything about life as well as wrestling."
